## **飯店設施(休閒運動中心 Fitness Center)**

**※Opening Hours 使用時間：07:00-23:00**

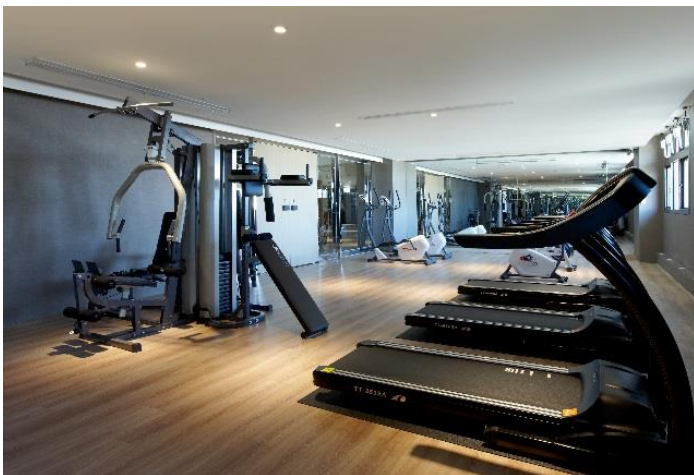

位於飯店十二樓的休閒中心，備有健身房、按摩水療池、蒸氣室、烤箱，讓您置身在舒適的室內休閒空間。可遠眺新竹市景風貌。讓您在舒適的環境中，享受舒活暢快的身心靈饗宴。

Located on the 12th floor of the hotel, the Recreation Center is equipped with a gym, massage water spa, steam room and sauna, allowing you to experience the comfortable indoor recreational space. You may look far into the landscapes of Hsinchu, allowing you to enjoy a refreshing body and mind feast in a comfortable environment.

### **The gym(Twelveth Floor) 健身房**

備有完善先進的體適能訓練健身設施，採擷自然光源，讓您在室內運動一樣能有舒暢的感受。各式心肺運動與重量訓練器材，包含全功能訓練腳踏車、跑步機、多功能重量訓練機、全套舉重器組以及肢體伸展器材等，滿足各種不同的健身需求。

The gym is equipped with advanced physical fitness gym facilities and adopts natural lighting, such that you may have the same refreshing sensations even when exercising indoors. There are all types of cardiopulmonary exercises and weight training equipment, including full-functional bicycle trainer, treadmill, multi-functional weight training machine, complete weight-lifting set and body stretching equipment etc., satisfying all different fitness demands.

### **SPA(Twelveth Floor)**

舒適的 SPA 區擁有多項設施，包括：烤箱、蒸氣室、水療池、私人淋浴間、化妝室、密碼鎖置物櫃與休憩空間。先進的超音波氣泡按摩水療池，是此區最具特色的設計之一。高含氧的氣泡能迅速補充身體含氧量，震動出如牛奶般柔細綿滑的微小氣泡，不僅能達到紓壓解勞，更能深入毛細孔，徹底清除污垢，促進新陳代謝，增強老化毛細血管的彈性。同時達到「溫熱、按摩、洗淨、美容、運動」五大功效。休憩空間採用天然質感與素材打造出渡假氛圍，為身體帶來充分放鬆與呼吸，使身心達到最佳的平衡狀態。

There are several facilities in the comfortable SPA area, including sauna, steam room, spa therapy pool, private shower room, dressing room, coded locker and resting space. The advanced ultrasonic wave bubble massage water therapy pool is one of the most characteristic designs in this area. The high oxygen-bearing bubbles are capable of rapidly

replenishing the body' s oxygen content, vibrating to offer micro bubbles as smooth as milk, not only attaining stress relief, but further going deep into the pores for thorough cleansing, stimulating metabolism and enhancing the elasticity of aged blood capillaries. It may also achieve the five main functions of “heating, massaging, cleansing, beautifying and exercising” . The resting area applied natural quality materials to create the vacationing atmosphere, bringing the body with full relaxation and breath, allowing the body and mind to accomplish the ideal balanced state.
